Denson and Connie are simply bored to death and don't know what to do. So the suggestion is made that they have a fuck, and low and behold they do! However, this isn't like any of their usual evening humps, this is the time that they decide to do it in the middle of the morning. She's ready to take her stud's cock right in there. This is exactly what she does and she takes it like a good girl, right up to the hilt.

heat under the sun

I'm a construction worker, so I don't usually get the chance to get my rocks off while I'm on the job. But the other day I saw something so breathtaking I literally had no choice but to beat off under the hot sun.

I was busy roofing a home when there, lying by the poolside, I saw the prettiest young girl I've ever seen. Since I still don't know her real name, I'll call her "Angel," because that's how I thought of her.

My cock throbbed at the sight of such a fuckable young thing—she looked like maybe 18 years old. Her skimpy bikini revealed her hard nipples, and the crack of her pussy showed through the material too.

She wriggled around on her patio chair and adjusted her little teen titties under the fabric, exposing more tit flesh to the sun. In order to get an even tan, she finally removed the bikini bra, lying completely topless.

I almost fell from the roof. I lost my balance from paying too much attention to that firm flesh and her long, strawberry-blonde hair. She wiggled around on the chair and moved her hand slowly over her adolescent titties. They looked as firm as two rocks. She had smooth, lightly tanned skin.

Angel started playing with her pretty little titties, circling all around the flesh. Her nipples snapped back after she tugged and pulled on them with her fingers. She was holding both titties in her hands as she rubbed and pushed the sweet flesh around.

By now my cock was bulging in my work pants, and the material felt pretty tight around my crotch. I just had to undo my work belt and drop my zipper. I needed to give my hot, sweaty cock the freedom it desired.

Playing with her own titties was turning Angel on because she soon moved a slender hand down over her flat tummy and toward her young cunny. From my spot on the roof, I could tell that the pretty blonde's sweet cunny had almost no hair. Her bikini line was quite smooth and bare; but, as she slipped

her hand inside the panties, I could see a very small tuft of strawberry curls. The sight was magnificent; I could almost smell the freshness of her youthful cunt. I really wished I were down there to take the

sweet scent in.

With one finger, Angel traced up and down her cunny crack, squirming around under her own touch. Her hips moved up and down gently where she lay. Then she drew the panties down her slender, tan legs and lay down completely nude. She put two fingers in her mouth and sucked them for a few seconds, then inserted them into her precious cunny.

I still couldn't believe what I was seeing—but

I was in no way going to waste this opportunity by turning away from Angel. It was time I found some relief of my own, so I grasped my hard cock and started to beat off in time with Angel's motions.

By this time Angel was pumping her pussy hard and eagerly; I thought I heard the pretty angel whimper at the sensation of her own wet fingers pleasuring and tickling her most delicate area. Her tummy seemed to shiver a little bit, and she threw her head back and closed her eyes. She must have been having one hell of an orgasm because her hips

remained raised for a few minutes and her finger-pumping increased to a rapid rate.

Angel stood up, and I swear you could bounce quarters off that beautiful, young ass. Every inch of

her was tight with skin that would snap back like elastic. I started pumping my cock faster now. I wanted to get off before she moved out of my vision. Angel went into the house, but she returned right away. She was carrying something that looked like a small vibrator.

Angel lay back down and spread her legs open. With one hand she pulled her cunny-lips apart. With the other, she inserted the vibrator into her cunny. It must've been a tight fit because she winced a little. She wiggled her hips around with the vibrator inside until she seemed more at ease. Then she pressed down on her mound, applying weight to the vibrator inside her cunny.

Angel got up and elegantly dived into the pool. I can only imagine what heaven she must have felt. The hot sun beating down on her, the refreshing feel of the cool water hitting her tan skin, and all the while that little sex toy tickling her tight cunny. She did a few laps and then quickly got out, dripping with water.

I shot my sauce all over and into my toolbox! Angel smoothed a towel on the ground and lay down, tummy-down...still nude. She pressed her mound hard into the ground and humped with a definite rhythm, slowly increasing the speed of her thrusts. The toy she had stuck up her cunny must have been acting as a cock inside her, tickling and squeezing all the right places.

She reached her arm behind her and stuck a finger into the crack of her firm ass. She continued to hump while she fingered her ass until once again her body seemed to explode with orgasm. I was back at my cock, beating it as hard as I could, imagining I was screwing that gorgeous girl's young cunny until I filled her with my sauce.

Angel removed the little vibrator from her tight cunny and put her bikini back on. She looked up at me and, giggling, gave me a wink and a wave! Her whole performance had not been just for her own benefit!

— Rick, Michigan

She reached her arm behind her and stuck a finger into the crack of her firm ass. She continued to hump while she fingered her ass until once again her body seemed to explode with orgasm.

As I had her legs over my shoulders, my thrusting her in motion, there were knuckle cracklings from her legs, and joint cracklings from her legs, too.

knocked her socks off

I'm a 35 year old male who is just a horn-dog at heart. Whenever there is available pussy around, I'm on it. That just happens to be the case with my 27 year old neighbor a few doors down the street. Actually, she is on the other side of the street and her husband parks exclusively in the driveway, so I know when he is home and when he's not.

We've been fucking for about two years now, her name is Anita, she's wild in bed and satisfies me to the bone. It started off one night when she allowed me in her room and she let me lock the door behind me. She had been wearing an open nightgown with her big boobs exposed and only panties underneath.

As I talked to her, I placed my hands on her shoulders attempting to give her a massage. She let me put my hands on her body as I worked my way below, massaging her back then her waist. I gently put my hands on her full boobs caressing them, moulding them, and fondling her body.

By then she became putty in my hands & her body was mine. I had her legs over my shoulders as I seduced her the entire night. I tongued her simultaneously as I had my hands all over her body. As I had her legs over my shoulders, my thrusting her in motion, there were knuckle cracklings from her legs, and joint cracklings from her legs, too. As I fucked her, I had her stretched out in the wishbone, as I was between her legs the whole night.

The bed rocked back and forth, pounding loud

and her loud moanings were the only sounds in the house. She told me I had reopened her pussy hole very deep but good. I must have knocked her socks off when I had anal sex with her, because she became very quiet for moments. I put my dick in her ass, stuck it in I did. I stared at her as she had her mouth open and her eyes were rolling inside out, telling me to leave it in there because it felt so good. I popped her anal cherry and till this day we still have sex as manic as

that first day.

I love her and she loves our sex more and more. But every time we have anal sex, I stick my dick up her ass she's in paradise and lays there with her mouth open and her eyes rolled inside out but tends to doze off because my dick is inside her for hours. She tells me it feels so good, she can fall asleep during any intercourse. We have the best sex possible, she is so addicted to me and never wants me to go. I try not to go, but I always try to come.

I'm so glad to be back in Los Angeles enjoying the beautiful sun and scenery, but not the traffic. And, out of the blue, my friend Kapri shows up! This can't get any better! She asks me if I wanted to go back to her hotel room to order room service dinner. However, when we get to her room, I bust out a huge dildo and strap it on. Her ass is incredible. Jayden can't decide which swimsuit to wear, so she finally decides on the sexy pink trimmed one.

Her busty figure and slender body look good in almost anything, but when she flips down her top and exposes her beautiful boobs, well that catches Derrick's attention. This time she lets him touch them as he lets her touch his cock. And so it begins.

That day my neighbor Victoria did not come home until morning, Richie confronted her about it asking her what her new husband would think about that. She said she did not give a fuck. She was so horny, she just had to have some hard cock. That was all too easy to believe considering she was only in panties! Victoria could see he was getting nervous so she let him fuck her velvety pussy – this time.

*Naïve little Linda Sue didn't know just what "petting" involved...
let alone how to do it right. Ben volunteered to give her lessons...*

a tip for my waitress

I travel around, stopping where and when I please. Some wouldn't like my lifestyle, but it has its advantages. Last summer, I took a job down south as the night manager of a rest stop diner just off an interstate truck stop. Despite six pumps and a lunch counter, it got really slow most nights.

The beauty of this job was my co-worker, who was both the night shift cook and waitress. Linda Sue was just out of high school and barely 18. At five-three and a svelte 100 pounds, she was a real cutie, and her blonde hair and sea-blue eyes alone were enough to make a guy notice her immediately.

During our long night shifts together, Linda Sue began to confide in me. I'm 33, and it seemed she looked up to me as an advisor.

I slowly initiated conversations about sex during our nightly vigil at the truck stop. I learned that she was not a virgin. She told me that it had been a bad experience, and the guy, a high school jock, had bragged about his conquest of her to everyone. So now, even though she was dating another guy, she refused to have sex with him. I applauded her choice and then told her how smart she was to take care of her boyfriend's needs in the other ways available.

"What do you mean?" she asked after a moment's hesitation.

"You know," I answered slyly. "Petting and stuff."

Her pretty face took on a confused look, but that night she didn't ask further questions. I let it drop.

A few days later, she brought it up again.

"What exactly is petting?" she asked. "That's like making out, right?"

"Well," I said, "making out is part of it." I waited for her to continue.

"I've heard of it, but I don't think I know what it really is."

"You're embarrassing me now," I said. "You really want me to tell you?"

"Uh-huh." She nodded.

Man, this chick was too naive to believe. I looked at her and realized that she really didn't know.

"It means," I said, then hesitated. "It means using your hand to give a guy exactly what he needs. What he has to have."

Her face turned crimson, and her blue-eyed gaze dropped to her lap. I used the opportunity to let my eyes roam over her slender, teenage bod. That waitress uniform hugged girlish hips, an impossibly small waist and a nice, flat tummy. She had high, apple-sized tits that made my mouth water. Throw in her delicate hands and tiny feet, and she had the body of a nymphet goddess.

"You do, uh, do that for your boyfriend, don't you?" I asked her gently. She shook her head quickly.

"Linda Sue," I took her hand, "how do you expect him to be faithful to you unless you satisfy his physical needs?" She remained silent.

"Let me ask you something," I went on. "At the end of a date when you two have been making out, does he ever seem angry or upset?"

She raised those blue eyes then and looked at me directly. "Yes!" she said. "He gets mad because I won't let him...I won't let him go all the way."

"See? You can't just get all those hormones and emotions raging through his body and then push him away. As his girlfriend, it's your responsibility to take care of that stress."

"How?"

"By petting," I answered, taking her to the logical conclusion that I had planned on.

"Is it hard?" she asked innocently. I nearly laughed out loud at the unintended pun in her question. But I maintained my poker face and shook my head no.

"You could learn how," I assured her. "With some practice."

"But how can I learn how if I don't know any thing about a guy's... you know, about using my hand?"

"I guess you need someone you trust to teach you." I let that stand, the words hanging in the air.

"Would you teach me?" she finally asked. My cock was half-hard just talking about this with my sexy teen co-worker.

"If you really want me to," I replied, as if reluctant to carry out such a plan. "I could show you the basics."

"When?"

"I could lock the door and we could do it now, I guess."

Linda Sue agreed that now was as good a time as any to begin her lessons. I explained that, since she was most likely to be in a car with her boyfriend, we should go out to my pickup truck to simulate actual conditions.

We settled into the cab of my pickup and I had her sit next to me as if we were on a date. "We should make out for a while, so that my body is reacting just as his would when the two of you are out on a date."

She turned her pretty face up toward me, and I kissed her, tasting those pouty lips for the first time. I held back for a moment, then began to probe her ripe mouth with my tongue. She responded beautifully. After a couple of seconds, I put my hand on the front of her waitress uniform and cupped her firm breast.

Linda Sue broke the kiss and gently pushed my hand away.

"Look," I said. "If we're going to do this, we should do it right. Wouldn't your boyfriend be touching you there?"

"Yeah," she said, considering. "I guess it's okay."

She parted her lips and let me kiss her again. My hand found those hard little titties and began to fondle them in earnest.

"You should put your hand on me," I said softly. "Through my pants first." I took her hand from my face and put it directly on the tent in my lap. Her hand lay there, unmoving.

"Okay," I said. "Explore it. Feel it so you can become familiar with it."

Her fingers clutched clumsily at my cock while I continued to grope

her breasts through her dress. I stopped only long enough to pull the tab on the front zipper, easing it down below the level of her bra.

My hand slipped inside her dress to find two lace-covered mounds of delight. I teased her hard nipples lightly as she squeezed my cock in a rhythmic manner. It was heaven sitting in the dark, kissing this young teen, her breast in my hand and my cock in hers.

"Now," I breathed in her ear. "Take it out."

She opened my fly and reached inside. I think by now her curiosity was getting the better of her. As she was occupied for the moment, I took the opportunity to slip my fingers under her bra. Her tiny, stiff nipple pulsed against my palm as I molded my anxious grip over it.

Using my free hand, I held her wrist and showed her how to pump her hand up and down on my rod. She seemed wary of actually touching the head. I pulled her hand higher so that her fingers encircled the sensitive glans.

"Feel that?" I asked her. She nodded. "That's the part you kiss."

She looked up at me, her eyes wide. I was continually playing with her fine, firm breasts. Her hand fondled my cock in an almost unconscious fashion.

"That's the way it's done." I shrugged. "Don't you want to do it right?"

She was getting pretty hot, what with the making out and my constant toying with her tits.

"We can stop if you like," I said, testing her.

Her small, soft hand tightened slightly on my cock.

"No," she said. "I have to learn how."

I smiled at her with approval. "Then we'll do just what you and he would do on a date."

I dipped my head and mouthed one breast through the light barrier of her bra while caressing the other.

She inhaled deeply and I pushed the bra's cup off her breast and put

my mouth directly on sweet teenage girl-flesh. I pulled the other cup down and lavished kisses on her pert breasts as they perched atop the lowered bra.

I raised my lips to hers and used my tongue to thrust in a rhythm that matched her hand on my cock. This aggressive french kiss got her hotter still.

"Since you're touching him," I said against her mouth, "he will want to touch you." My hand settled on her knee, and I resumed my passionate kissing. Her firm, well-formed thighs were covered with a snowy down of fine blonde hair that tickled my palm. I made my way steadily up under her dress until my fingertips brushed over the mound beneath her cotton panties. Her hand was pumping my raging hard-on up and down in a hesitant, delicate manner.

"Open up, baby," I whispered.

Her thighs slowly parted until my hand groped her damp crotch. She punctuated the silence with mild whimpers of pleasure. I knew she was ready to go to the next level. I tugged aside the strip of cotton and let the tips of my fingers slide through the

wet furrow of her pussy. Her hand grasped my cock with surprise or excitement. It didn't really matter which.

"Yes," I encouraged her. "That's right. Do that again."

She gripped my tool and began to pump her hand again. I dragged my wet fingertips across her clit, causing her to buck on the seat. I bent down and began to suck on her tit with renewed vigor while I inserted a single finger inside her hot, wet pussy.

She moaned and lifted her ass off the seat to meet my finger. My thumb found her little clit, and I used my teeth to stimulate her nipples. I gave her a second finger and then started to soundly frig her teenage pussy.

What a prize! I had this 18-year-old, near-virgin girl writhing against me as I finger-fucked her tight pussy and chewed on her firm little tits. And to top it off, she was enthusiastically jacking my cock!

Her gasping moans told me she was nearly there. I abandoned her swollen breasts and kissed her hard, matching the thrusts of my tongue with those of my soaked fingers. Her thighs clamped around my wrist, and she shoved her hips toward my hand as she began to come. I swirled my fingers inside her as much as the tight confines of her pussy would allow.

"Kiss it," I urged. "Kiss it now!"

In the midst of her orgasm, she responded as I'd hoped. My young nymphet scooted her ass over a bit so she could bring her head to my lap. I continued to finger-fuck her pussy as her lips touched the tip of my cock. She kissed it.

"Yes," I groaned. "Move your hand and kiss it again."

I gazed at her beside me, curled along the seat. Her uniform was high above her hips, and I could see her thinly thatched pussy. Her trim thighs were spread wide apart to make room for my hand between them. The button top of her uniform was open, and her firm young breasts jiggled with the movement of her arm as she jacked me off.

Her head was in my lap, and she

was kissing the very tip of my cock. But without the needed passion.

"Touch it with your tongue," I gasped.

She did.

"Kiss it and touch it with your tongue."

I stroked her blonde hair and savored the warmth of her lips, now resting on the head of my cock as her tongue lapped at it slowly. Her small hand moved up and down the shaft with vigor. I fingered her faster, deeper, harder.

"Take it in your mouth," I quietly instructed my student. She parted her lips wider and accepted another fraction of an inch. "More!" I said, beginning to lose control of my pretended detachment. She opened wider, and suddenly the entire head of my cock was inside the warmth of her mouth.

I let myself soak there in the heat of her loving embrace. I slowed my finger-fucking of her pussy in order to enjoy the heaven of her mouth around my throbbing cock.

"That's perfect, baby, that's absolutely perfect." I kissed the back of her head. "Now, just one more thing. Suck on it a little."

My balls tingled when she gave my cock a little suck. I moaned in appreciation. She did it again, her hand slowly moving along the shaft in time with the fingers I had in her pussy. After a few more attempts, my teen vixen fell into an instinctive pattern that told of a promising young cock-sucker. But it was time to ratchet the heat back up.

I increased the speed of my fingers and started lifting my ass to get a little more cock in her hot mouth. Her little ass began to gyrate as she reached for her second peak. Her oral acrobatics brought me toward my own climax as well.

I was slamming my fingers into her so hard that my knuckles were slapping loudly against her wet pussylips. When she squealed around my primed cock, I knew the moment of truth had arrived.

I humped upward and lodged my cock in her mouth. My balls con-

tracted and pumped my load upward at the speed of light. I held the back of her head with one hand and gave this sweet young waitress the full measure of my orgasm. I heard her loud gulps, and the knowledge that she was guzzling my jizz sent my balls into overdrive. Meanwhile, her hand continued to travel along the shaft of my tool. My thick spurt of cum splattered her tongue while she chewed my spewing rod.

"Suck it, baby! Yeah, suck that fucking cock!"

She obeyed and finished off her job, gulping the rest of my load. I let my wet fingers slip out of her tight, quivering pussy. After a few minutes, she gave up my spent cock and sat up. I watched her, panting, as she ad-

justed her clothing to cover that sexy body.

"You do that for your boyfriend," I said, "and he'll never leave you."

She looked at me, those big blue eyes wide and her red, slightly swollen lips parted.

"Can we practice this again tomorrow?"
